If in doubt, it is your responsibility to get the advice you need from a participating lender or otherwise to be sure of your position. The NHFIC, its employees and agents will not be responsible for any claims for direct or indirect loss allegedly caused by or arising from the use of this checklist.

That is, interest-only loans are not permitted for the purposes of this Scheme except in specific circumstances including the construction of a new home, as outlined below.

I have read and understood the information relating to principal and interest loans

Building a new home

If you are purchasing vacant land for the purpose of building a new home, your loan(s) must relate to both the land and the home construction. Such loan(s) may be an eligible loan even if the terms of the loan agreement permit interest-only payments for a specified period.
